

## **Hilton Foundation**

Kents Hill School has a partnership with the local Hilton hotel in Kents Hill to raise money for the Hilton Foundation. Half of all the money that we raise comes to the school, and half goes to the Hilton in the Community Foundation, which supports charitable causes nationally, particularly focusing on young people.

During 2006, we raised over £2,200 - and you can see the giant cheque that was presented to the school on the wall as you come into the school by the office. In 2007, we are well on track to achieve a target of £3,000.

We have held Christmas and Easter parties for the children and their families which have been hosted by the Hilton. Watch the school newsletter for news about forthcoming events!
