

Welcome to Year 2 Oak Homebase

Mrs Leadbeater
Class Teacher

Miss Wickham
Teaching Assistant

Hello,

I am your new class teacher and Miss Wickham and I are really looking forward to teaching you next year.

During our first term together we will be learning about Dinosaurs. We have planned some exciting activities including

- Writing dinosaur poems
- Making dinosaur eggs
- Measuring dinosaur footprints

Mrs Dailey and I have been working hard planning our learning and we are hoping to make it very creative. We are going to make as many lessons as possible link to our topics.

In Summer term Year 1 and Year 2 will be learning about the Seaside. We are hoping to visit Southend as part of this learning. We will be able to tell you more after Christmas but we are sure it will be lots of fun.

We will be doing PE twice each week. It would be helpful if you can have your kit in school every day as we are planning to be flexible with our timetable and it may not be on the same day each week. Our PE lessons may be inside or outside so please have both shorts and t-shirt as well as suitable outdoor clothes, trainers or plimsolls in school. In the first half term we will have dance on a Monday and football with MK Dons on a Thursday but this will change every half term.

We will visit the library on Monday.

Mrs Lewis will be teaching Oak homebase for half a day each week.

I know you are a well-behaved year group and so every Friday at 2:15 pm we will have Golden Time to reward you for keeping the Golden Rules. This will be an opportunity for you to make a choice from a range of activities that you will find exciting. Children who struggle to follow the Golden Rules and have their name on the consequences board may have to miss some of this Golden opportunity.

I would love to have some help in Year 2. If any of your carers would like to help please ask them to come for a chat.

See you in September, have a good holiday - stay safe.
Mrs Leadbeater and Miss Wickham
