

## Welcome to Year 2 Oak Homebase

**Miss Rawles**  
**Class Teacher**

**Mrs Winnett**  
**Teaching Assistant**

Hello,

I am your new class teacher and Mrs Winnett and I are really looking forward to teaching you next year. In the first half term our topic is Humans and Our Bodies. I have some interesting activities planned including:

- Making food and learning where our food comes from
- Learning about being clean, fit and healthy
- Creating images using ICT

Last year, we visited Birmingham Botanical Gardens. We hope to go on an exciting trip this year too although we have not decided where yet. You may have some ideas.

We will have PE on a Monday, Tuesday and Friday. You will need an indoor and outdoor kit including suitable footwear. If you have long hair please can you make sure it is tied back on our PE days. Also please remember not to wear any jewellery.

We will visit the library on Friday.

Mrs Walmsley will be teaching Oak homebase for half a day each week on a Wednesday.

I know you are a well-behaved year group and so every Friday at 2:15 pm we will have Golden Time to reward you for keeping the Golden Rules. This will be an opportunity for you to make a choice from a range of activities that you will find exciting- including Golden Cinema and Golden Creation. Children who struggle to follow the Golden Rules and have their name on the consequences board may have to miss some of this Golden opportunity.

I would love to have some help in Year 2. If any of your carers would like to help please ask them to come for a chat.

See you in September, have a good holiday - stay safe.

Miss Rawles

## Welcome to Year 2 Willow Homebase
